To Whom it May Concern:

As Superintendent of Rogers City Area Schools, I am writing to you in support of the possible expansion of the Thunder Bay National Marine Sanctuary in Lake Huron. Expanding this area will directly benefit our community through job development, further opportunities for families, increase travel to the area, and will help protect the fragile ecosystem.

We greatly appreciate the educational opportunities the Sanctuary provides and look forward to the expansion and further protection of our state's most valuable resources.

Sincerely,

K. A. X. Makowski
