

**Northeast Michigan Lodge No. 19**  
**INTERNATIONAL SHIP MASTERS' ASSOCIATION**  
500 West Fletcher Street, Alpena MI 49707

The officers and members of Lodge 19 of the International Ship Masters Association applaud those measures of NOAA's Thunder Bay National Marine Sanctuary to investigate, preserve and promote Lake Huron's rich maritime heritage. We therefore join our voices in support of the proposed boundary expansion for the Sanctuary to include the waters from Reynolds Reef and Spectacle Reef to Michigan's Presque Isle, Alpena and Alcona Counties and out to the Canadian border. Adopted this 24th day of April, 2012.
