Join Thunder Bay National Marine Sanctuary staff this summer for a junior shipwreck archaeology camp. In each session campers will do activities each day to learn about Thunder Bay National Marine Sanctuary and how archaeologists work together to find and explore shipwrecks. Campers will create and share their very own “shipwreck report” based on their findings on the last day of camp. Some snacks provided, but campers should bring their own lunch.

Sessions are 9:00 am – 3:00 pm daily.

Space is limited, please fill out the form on reverse and send in to reserve a spot!
