Thunder Bay Sanctuary Advisory Council

Please let the record show that I am in support of the Draft Management Plan that is being proposed by the Thunder Bay Marine Sanctuary. The purpose of the management plan is to review and determine what the sanctuary should do to best protect its maritime heritage resources and the Great Lakes. This plan is of great importance to Alpena County and its surrounding counties. With hard economic times facing us, it is critical to find ways to preserve yet promote our area.

Thank you to those who worked so diligently on the Draft Management Plan.

Sincerely,

Dale Bell
